#### SUCCESSFUL RECOVERY OF THE AVANZA PLACERA /AROCCELL/ STOCK FORUM

*The Amateur* announce the successful recovery of the Avanza Placera /AroCell/ Stock Forum, which was abruptly and without any pre-notice completely deleted by Avanza in dec 2021.

The recovery, an initiative by *The Amateur*, landed perfectly accurate results, including all data and reference links fully functioning. The overall recovery rate was very good, +97%, with the biotech company AroCell AB as recovery target during the period january 2016 up to the last Stock Forum activity, before total deletion by Avanza Placera in december 2021.

*The Amateur* will initiate a project to evaluate the recovered dataset, with an eye on possible re-publication of selected information.
